

**June 1, 2007**

The 2007 APS Celebrity Golf Extravaganza celebrity host is Preston Dennard, President and co-founder. Preston has been involved since 1995 with the purpose of giving students a chance to be involved in sports activities, thus helping develop positive self esteem in our youth.

**Attraction:**

**Arroyo Del Oso Golf Course**

Top national and local celebrities join Preston Dennard, former Los Angeles Ram and NFL Man-of-the-Year, to help raise money for APS athletics. Local businesses and individual sponsors come to play golf with these celebrities to benefit a cause that touches us all, **the youth of Albuquerque.**

**Who We Are:**

The APS Sports Fund Board is comprised of concerned business people and parents whose goal is to help provide funds for APS middle school and high school "C" team sports. These sports currently do not receive funds from APS. Board Members, committee members and volunteers donate their time for this worthwhile event, which benefits our youth and community. Vaughan Hancock and Preston Dennard founded the APS Sports Fund Board in 1995 with its sole purpose of providing the youth Albuquerque Public Schools the opportunity to get involved in their schools through sports.
